## THREE DIE AT HANDS OF WOMAN

Triple Tragedy in Los Angeles Blamed on Mrs. Cox, One of the Victims

THOUGHT TO HAVE SHOT DAUGHTER AND LOVER

Wife of Dead Man Knew Nothing of Woman in Case—Said Married Life Happy

LOS ANGELES, Jan. 7.—The police are unable today to throw any further light on the triple shooting occurring at the Vidamar Hotel last night and resulting in the deaths of W. M. Melton, an attorney and local Elk, Mrs. Mary Cox and her daughter, Florence, aged twelve. It is understood that Melton and Mrs. Cox, who was a divorcee, were to have been married soon.

A diary apparently kept by the woman may help in the solution of the mystery. It contained entries from Jan. 1 to 5, indicating that she was in and disappointed, although the cause of the disappointment was not mentioned. The police think there is no doubt that the woman killed the others, and then suicided.

**MELTON'S WIFE IDENTIFIES BODY—SAYS WERE HAPPY**  
It became known today that Melton was married seven years and has since lived with his wife, who today identified his body. She said they were perfectly happy, and that she knew nothing of Mrs. Cox.

**Evidence of Struggle**  
The room where the three dead bodies were found presented evidence of a fierce struggle. Chairs were overturned, some piled on the bed, which had been moved from its original position. The door had been locked from the inside and the detectives were compelled to batter it down to gain admittance at 11 o'clock last night, after shots had been heard by a passer-by.

On the floor at the right hand side of the room on the third floor lay the body of Mrs. Cox with powder-marked wounds, one in the left jaw, the other in the left breast. By her hand lay a revolver of 38 caliber and a foot beyond was the body of Melton. He was fatally wounded with five shots in his head, neck and body. At the opposite side of the room the body of the child was found with a bullet in her neck and one in the body.

**MOTHER OF MRS. COX FAINTED WHEN TOLD OF THE TRAGEDY**  
SAN FRANCISCO, Jan. 7.—Mrs. Joseph Graves, the mother of Mrs. Cox, fainted when she was told of the death of her daughter in Los Angeles and of the triple killing. She later declared her daughter and Melton were much in love, and were to have been married soon, and that she recently had a letter from her daughter inviting her to Los Angeles for the ceremony. She said her daughter was working in Los Angeles as a stenographer.

## CURRY HAS BOUGHT NORTH MAIN STREET LOT, IS TO BUILD

W. S. Curry, who lives on East Fifth street and who owns a fine orange orchard on Prospect avenue, Justin, has bought one of the best building sites on North Main street. It is a lot 100x275 feet, east front, just south of the home of Mr. and Mrs. P. C. Wedell. The purchase was made through J. R. Palmer. The price paid was \$3000. The deal was made through J. R. Palmer.

## PRIZE FIGHT CASE TO DECIDE BOXING FATE

LOS ANGELES, Jan. 7.—Jesse Willard, heavyweight boxer; Tom Jones, manager, and Tom McCarey, fight promoter, today went to trial in the superior court in a case that will decide the fate of boxing in California. With eight other defendants, the men are charged with violating the anti-prize fight law. The charge grew out of the death of John Young, following a bout with Willard at Vernon last August. A murder charge was also filed but later dropped. The day was spent in securing a jury.

## Italian Women Of Milan Win Vote Privilege

MILAN, Jan. 7.—Italian women have just won their first right to vote in the commercial elections of this city. Some 700 women who are members of the Milan Chamber of Commerce are affected by the concession. In contrast, however, with the political suffrage of men in Italy which is enjoyed also by the analphabets, the women either have to present a certificate showing they have completed the elementary school or show a government official that they know how to read and write.

## Bulletins of News

Hot from the wire up to 3:30 p. m.

## THE WEATHER

Fair tonight and Thursday; light northeast winds.

**Joseph Chamberlain Retires from Public Life**  
LONDON, Jan. 7.—Joseph Chamberlain announced today that he will never run for Parliament again, giving in health as his reason. Chamberlain is more than seventy years old, and is partially paralyzed.

**Uncle Joe Cannon Improves from Bad Cold**  
DANVILLE, Ill., Jan. 7.—Former Speaker of the House Joseph G. Cannon, who has been seriously ill with a cold, is improved today.

**New Thief Trap is Discovered in Pomona**  
POMONA, Jan. 7.—The police have a new thief trap, discovered while pursuing two burglars who ransacked a residence. The burglars ran into chicken netting and rebounded into the hands of the officers.

**BRIEF ... THE HapacNU Thaw Commission Fails To Act on Question of Bail**  
CONCORD, N. H., Jan. 7.—The commission hearing Harry Thaw's demand for admission to bail adjourned today without reaching a decision.

**Simple Funeral For Dr. Wier Mitchell**  
PHILADELPHIA, Jan. 7.—Simplicity marked the funeral yesterday of Dr. S. Wier Mitchell, noted physician and author.

**Heavy Seas Do Damage at Redondo**  
REDONDO BEACH, Jan. 7.—Heavy combers at 4:30 yesterday, swept over the board walk along the ocean front with such force that the concession district sidewalk for a distance of one hundred feet was undermined. Much other damage was done.

**Gov. West Pushes Law Enforcement**  
SALEM, Ore., Jan. 7.—Governor West's activity in the enforcement of law in Baker county took a new turn today when he telegraphed District Attorney Goodwin at Baker that unless he takes prompt steps to abate such nuisances as the houses of prostitution which exist there, the state will be obliged to prosecute him for negligence of duty.

## DISCUSS LOCATION REGIONAL BANKS

Bankers of Currency Committee All Agree New York Must Have Biggest Bank

NEW YORK, Jan. 7.—The currency organization committee today resumed work. President George Baker of the First National Bank of New York, argued for a sufficiently large bank here to meet any situation. He suggested capitalization of \$23,000,000. President Stephen Baker of the Bank of Manhattan favored banks at New York, Boston, Philadelphia, Atlanta, Chicago, St. Louis, Minneapolis and one on the Pacific coast. President James Martindale of the Chemical National did not think eight banks necessary. He suggested a bank for New York with branches at Boston and Philadelphia to cover the entire east. All witnesses agreed that the New York bank should have the greatest capitalization.

## STORM IN NORTH WEST RENEWED

TACOMA, Jan. 7.—The protracted storm that has been sweeping the Northwest was renewed today, a terrific gale carrying down the telegraph poles in North Seattle and breaking down the government's cable to Tatoosh, North Head. A score of vessels harbor-bound at the mouth of the Columbia River, fled for the sound for better refuge. It is feared many of these may have been caught and wrecked.

## TROUBLE FACES NEW YORK'S SOLONS

Tammany Senate Glared Today at Defiant Assembly When Legislature Opened

## DEMOCRATS STOLE G. O. P. THUNDER AT LAST SESSION

Impeached Gov. Sulzer "Man Without a Party"—Sits in Free Lance Assembly

ALBANY, Jan. 7.—Economy was Governor Glynn's keynote in his opening speech to the legislature which was conveyed today. He urged the abolition of luxuries and sinecures in the state offices, and warned the legislature against "vicious and foolish" law-making. It is understood that he will veto all appropriations except those for the most immediate needs.

**LEGISLATURE MADE UP OF OPPOSING FACTIONS**  
ALBANY, Jan. 7.—With a well bossed Tammany senate glaring across the corridor at a defiant Republican assembly, the New York legislature of 1914 convened here today. It is the first New York legislature that ever had an impeached governor in its membership, and the first that has had a free lance assembly, although the Republicans elected a majority of the members.

The Republicans had looked forward to this session as an opportunity for them to enact such progressive measures as workmen's compensation, direct primaries and reform ballot. A Republican conference in New York pledged the assemblymen to these measures, but the Democrats forestalled the gathering of this political ammunition by passing these same progressive bills during the final days of the special session of the Democratic legislature.

Former Governor Sulzer, now an assemblyman, bears the unique distinction of being virtually "a man without a party." He cast off the Democrats following his impeachment and was elected to the assembly on the Progressive ticket. The Progressives, however, have not included him in their conferences and have not numbered him as among those to be relied upon by their party.

Just where and when the trouble will begin is the problem. Former Governor Sulzer is apt to vie with Assemblyman Hinman in getting in a stiff resolution to investigate everything Democratic and Hinman wants especially to dig into the expenditure of the millions that have failed to finish the harbor canal. Sulzer wants most of all a general uncovering of Tammany Hall's use of money at elections but is not averse to any inquiry that would show up graft.

It is hinted that the Democratic minority will join with the independent to do anything that will make real Republican trouble, but this feature of the session will develop as opportunity offers.

At the outset the leaders will try to stave off the immediate introduction of investigation resolutions. They prefer to have but few and these dead, but admittedly it will be hard to hold back Sulzer and several more of the determined independents.

The senate although powerfully of the Tammany persuasion is disposed to be really good. With the governor's threat and with fear to do otherwise it fairly well squared accounts with the people by the reform legislation put through at the close of the extra session. Now it sees no real reason for legislation unless the governor has something further in mind. Of course the usual "regular bills" will be introduced and very likely these will come in early. Otherwise the senate expects simply to keep an eye on the assembly and be prepared at all times to do the governor's bidding.

Since Governor Glynn is out to make a record and has declared that he will advise the legislature by message from time to time, rather than hand out everything at once, developments will have to be awaited from this source also.

The governor has to make several of the most important appointments in the gift of the executive and Tammany has long been anxious to know his choice. Governor Glynn has declared for a short session and few appointments.

## NEW AUTOMOBILE LAW TO BE TESTED IN SUPREME COURT

SAN FRANCISCO, Jan. 7.—Arrangements to test the constitutionality of the new automobile law in the state supreme court were completed here today. The test will be made in the case of Percy S. Towne, who was recently convicted in the police court and sentenced to serve a jail sentence of fifteen days or pay a fine of fifteen dollars.

## TAKES GARBAGE FROM BOXES AND CANS

Merchants Need Not Expect Contractor to Pick Up Scattered Debris

## TO PUT UP SPEED SIGNS AT LIMITS

Health Inspector is to Be Kept on the Job at \$25 Per Month

A better understanding of what the garbage man will do and need not do has been reached as a result of the report of Fire Chief Young, made Monday night, that a good many merchants are allowing debris to collect around the rear of their stores. The long and short of it is that the garbage man will haul away such trash and garbage as are placed properly in boxes, but he will not have to sweep up alley, rather up stuff piled out on the ground or papers and trash that have fallen from boxes or barrels that merchants have tried to make hold more than their capacity.

Merchants and residents are to be held strictly accountable, and the city marshal has been instructed to enforce Ordinance No. 549, which makes it a misdemeanor to allow inflammable stuff to accumulate and become a menace to property.

Caulfield, the garbage contractor, was present at an adjourned meeting of the board yesterday. He said he had been abiding by his contract, which is to remove all garbage and trash from the fire district once a day and from the residence district twice a week, for \$250 a month. Trustee McPhee said that Caulfield's contention that he could not be expected to clean up the alleys and rear of stores was absolutely correct.

**Must Pay License**  
Sells-Photo Shows, which will be here in April, seems to think it ought to have a bonus to play here. A letter asking for free license, free water, free light, free air and a big crowd was received. The trustees replied that the show would have to pay a license like all other circuses.

**Keep Inspector**  
Health Officer Clark explained that during December E. G. Kennedy, inspector, had put in all his time and had ordered between 200 and 300 nuisances abated, they being for minor clean-ups mostly. Before that month Kennedy had been paid \$25 a month for giving part of his time. For December he was allowed \$65, and will be kept on at \$25 a month. Mr. Clark said the city will soon have to have an inspector all of the time, as the city's needs in that direction are growing.

"The city attorney says we have no right as city officers to interfere with any dairy, inside or outside the city," said the health officer. "I disagree with him. The state law gives me a right as city health officer to report on dairies. Deputy District Attorney Koepsel, a member of the city board of health, will prosecute any insanitary dairies reported."

McPhee commended the health department, saying that Santa Ana's costs only about one-tenth what any other city of the state pays for its health department.

The committee, having in charge a report on the bids for furnishing the city with two automobiles asked for more time. Alderman suggested giving the committee power to act. Ey objected to leaving the decision to any three members of the board. Alderman came right back with an accusation that as to "three-man deal, Ey had been mixed up in as many or more than any member of the board." It was decided to wait until Thursday evening for a decision on the purchase.

**Liability Law**  
A letter was read concerning the Workmen's Compensation Act, and the advisability of the city taking out insurance with the Industrial Accident Commission to cover possible accidents to city employees. McPhee and Greenleaf said they wanted to know more about the situation before acting. Ey favored taking the insurance. Heathman said it would be a mere waste of money.

**To Put Up Signs**  
McPhee called attention to a provision of the new state auto law making certain posting at the city limits necessary before arrests can be made within the city for speeding. On his motion the city engineer and street department were instructed to put the signs up immediately, work to begin this morning.

**Paving Proceedings**  
Resolutions of intentions were referred to the city attorney and plans, profiles and specifications adopted for paving West Fifth street from Garney to Baker, full width of the street, and from Baker to Artesia, twenty-foot strip in the center of the street. The clerk was instructed to re-advertise for bids for laying sidewalk.

## JOHNSON FOR GOVERNOR

The decision of Governor Johnson to stand for reelection is one that will be hailed with delight all over the state, regardless of political alignment. Thousands of Democrats and thousands of Republicans, as well as Progressives, and thousands of all other parties believe in Johnson the man—in his sincerity, his courage, his ability,—and they also believe in the principles of his administration.

California's debt to Hiram W. Johnson is already great, and by his further great sacrifice of personal preference and professional opportunity, in order that he may be of further service to a great cause and a great state, he increased that debt to very large proportions indeed.

And yet it is a debt that every man and every woman can pay without sacrifice or hardship—a debt that can be paid simply by holding fast to high ideals of citizenship and living up to the largest opportunity for civic service.

## REBELS ATTACKED OJINIGA TODAY AT DAWN--2000 REINFORCEMENTS

PRESIDIO, Texas, Jan. 7.—The rebels closed in about Ojiniga during the night and heavy firing began at dawn. The rebels have been reinforced by General Febhera with two thousand men, bringing more cannon and ammunition. A rumor is current that General Villa has personally reached the battlefield, but the rumor is unconfirmed. It is estimated that 750 have been killed in the fighting at Ojiniga up to date, 300 of these being federals. One hundred federals and sixty rebels are in the hospitals here. Refugees arriving today said that the smallpox situation is not so desperate as reported.

**UNOFFICIALLY STATED THAT CARDEN MAY BE REMOVED**  
LONDON, Jan. 7.—The Exchange under the Vrooman Act.

Ordinances, one for regulating traffic in alleys and the other regulating the storing of gasoline, were given first reading. A letter from the Public Ownership Association of San Francisco asking that Water Superintendent Reid be made a member of the association, was taken under advisement.

The clerk was instructed to reply to a letter from the Southern California Automobile Club, stating to the club that Santa Ana's speed limit throughout the city is twenty miles an hour, the same as under the state law.

The report of Stephen Ross accepting paving on North Broadway was filed. The petition of the Newbelt Protection District to put a drainage ditch through the sewer farm was denied.

Adjournment to Thursday night was taken.

## UNCLE SAM NEEDS STENOGRAPHERS

Civil Service Examinations to Be Held in Larger Cities of Country

WASHINGTON, Jan. 7.—Uncle Sam is urgently in need of competent male stenographers and typewriters. In fact, the demand far exceeds the supply.

In an effort to supply the government's needs, the Civil Service Commission announces that examinations will be held in the larger cities of the country January 27. In this connection the commission calls attention to the fact that "notwithstanding its efforts it has been unable to secure a sufficient number of male stenographers and typewriter eligibles to meet the demands of the service in the departments at Washington."

While the entrance salaries for shorthand writers is small, ranging from \$840 to \$900 a year, the opportunities for promotion are reasonably rapid for those with merit, it is stated.

## PROGRESSIVES TO MAKE STRONG FIGHT IN NEXT CAMPAIGN

WASHINGTON, Jan. 7.—Representative Hinebaugh of Illinois, chairman of the Progressive Congressional Committee, issued a statement last night giving excerpts from reports of national committeemen and state chairmen, and announcing that "our chances for a red hot fight in the coming campaign are exceedingly bright." He claimed an even chance of winning Maine; the possible election of a Progressive successor to the late Representative Pepper of Iowa, Democrat, and thorough organization in Illinois, and victories in other states.

## SURVIVORS OF WRECK REACH BOSTON

Capt. Gunter of Lost Oklahoma Praises Bavarian Crew But Denounces Calvo Crew

## DECLARES BATAVIANS MERIT CARNEGIE MEDALS

Officers of Liner Gregory Were Real Heroes in Rescue of Men from Life-Boat

BOSTON, Jan. 7.—Captain Alfred Gunter and seven seamen, rescued from the wrecked tankship Oklahoma, arrived here today on the Hamburg-American liner Bavaria. Captain Gunter declared that all of the Bavaria's crew who aided in the life-saving should have a Carnegie medal. He said all of them repeatedly risked their lives. He denounced the captain and crew of the Spanish steamer Manuel Calvo, saying the men were afraid to launch a boat, and made no effort to save those in peril on the Oklahoma.

**Ugly Charge Against Calvo**  
"The Manuel Calvo sighted us on Sunday," said Captain Gunter. "After fooling around a while a boat was lowered. Then there was some more fooling around. Finally the boat was picked up, then the Calvo steamed away."

"As for the German sailors on the Bavaria, if it had not been for their bravery we would not be here now. They risked their lives for us repeatedly."

**Heroic Rescues By Gregory**  
NEW YORK, Jan. 7.—The story of the heroism of the three chief officers of the Gregory, which sailed into this port yesterday with five survivors of the Oklahoma wreck, is thrilling. When the Gregory, on its way home from a 3000 mile trip up the Amazon, reached the lifeboat in which were six shipwrecked men from the lost tankship, her three chief officers, without waiting to throw off their jackets or boots, plunged over the side. They were First Officer R. H. Buck, Second Officer J. S. Williams and Third Officer F. D. Roberts, all young Englishmen.

Each officer seized a struggling sailor and brought him to the ship's side to be hauled aboard, then went back to where the lifeboat was floating bottomside up and rescued three more. The first man hauled aboard died on the deck. The other five were kept alive after hard work by surgeon and crew.

One man was seen swimming near the ship and was thrown a line, but after seizing it the man was swept away by the heavy seas. Another was seen jammed under the seats of the lifeboat as it floated away.

## NEW FERRY TO PUT SHANGHAI 14 HOURS NEARER LONDON

SHANGHAI, Jan. 7.—The inauguration recently of a proper ferry service between Nankin and Pukow brings this port within fourteen days of London. The change not only effects a saving of ten hours but cuts out a tiresome wait of many hours in the city of Nankin.

The opening of the trans-Siberian railroad several years ago ushered in a schedule of a little over sixteen days between this city and the British capital. The opening of the Tien Tsin-Pukow railroad last year lopped off nearly a day and a half, and the new ferry service between Nankin and Pukow bridges the gap from 1:20 p.m. to 11 p.m., which existed formerly in the time table.

## GOV. FERRIS HEARS OF SUFFERING OF CALUMET STRIKERS

CALUMET, Mich., Jan. 7.—In connection with his investigation of strike conditions in the Michigan copper country, Governor Ferris today listened to dreadful stories of suffering told by the strikers and their families. The unions are unable to pay strike benefits regularly and many families are entirely without food.

**BIG POULTRY SHOW**  
LOS ANGELES, Jan. 7.—What is believed to be the largest poultry show of its kind ever held on the Pacific coast opened this morning under the auspices of the Poultry Breeders' Association of Southern California, which boasts 500 enthusiastic members. There will be 3000 chickens, pigeons, turkeys and rabbits in the cages of the poultry show.

## GRAFT CHARGED LIGHTHOUSE BUREAU

Said to Favor Certain Concern Which Overcharges U. S. for Acetylene

WASHINGTON, Jan. 7.—Sensational charges made recently by Representative Bartlett of Georgia that the lighthouse bureau was favoring a certain concern which manufactures buoys and that the government is being overcharged for acetylene buoys, will be delved into at the hearings begun here today. Secretary of Commerce Redfield, Assistant Secretary Sweet, and Director Stratton, of the bureau of standards, are conducting the hearing.

Representative Bartlett's charges included a demand for explanation of why so many contracts have been let to a concern with which A. Conover, formerly a deputy commissioner in the lighthouse service, is now connected. A general investigation of the entire lighthouse service, it was declared today, will be made to aid in rehabilitating the service and to bring its business methods up to date.

## ART "GRAND PRIX" OF ROME NOT SO MUCH VALUED AS OF OLD

ROME, Jan. 7.—"Grand Prix de Rome," formerly the most coveted art prize in the world, is not as desirable now as it used to be. The winning of it entitled the artist, sculptor or painter, as the case may be, to spend three years at the famous French academy in the Villa Medici at Rome, which is now under the direction of Bessard, the famous French artist. It has just been decided that in the future the "pensioners" will not be allowed to marry as the big villa has not the accommodations necessary for the domestic happiness of the students.

## DIVORCE GRANTED TO SPOKANE'S "HELEN GOULD"

LOS ANGELES, Jan. 7.—Margaret Armstrong Howell, known as the "Helen Gould" of Spokane, was granted a divorce by Judge Monroe yesterday, after two years of litigation. She alleged her husband trapped her into marriage to get possession of her wealth. Howell did not appear. They were married at San Diego in 1911.

**\$50,000 FIRE IN GALLUP**  
GALLUP, N. M., Jan. 7.—Fire starting last night in the basement of the Harvey house here, consumed that building, the Santa Fe railway depot and freight house and for a time threatened the destruction of adjoining property in the business district. The loss is estimated at \$50,000.

**In Hong Kong, Paris, or Los Angeles**

—If you ask the dealer for a good oil lamp, he will undoubtedly produce a Rayo and tell you there isn't a better lamp made.

**The Rayo Lamp**

is known in every civilized country of the world for its perfect lighting qualities—its safety and reliability. No glare; no flicker. Easy to light and care for.

LOS ANGELES

## LIGHTNING SET GOOD MATERIAL FOR TRACK TEAM ABLAZE

Los Angeles Street Car Traffic Paralyzed for Two Hours Last Evening

First Contest Will Be the Inter-Class Meet in About Two Weeks

LOS ANGELES, Jan. 7.—A bolt of lightning in the Santa Ana Canyon in the San Bernardino mountains, near the Mentone power plant of the Pacific Light and Power Corporation, 100 miles from Los Angeles, set fire to the Vernon sub-station of that company shortly after 5 o'clock last evening and for two hours completely paralyzed street car transportation in Los Angeles, and on the San Pedro Pacific Electric line. For a shorter time the Long Beach and Gardena line service was demoralized.

Sixty-five thousand persons were marooned for the better part of two hours on crowded and stalled street cars.

Street lamps were dark in a large portion of the city, and many office buildings and industrial plants were without light or power.

Loss is \$68,000

The Vernon sub-station was completely destroyed, with a loss of about \$68,000.

Several surprises are due in local track meets this year if early season form proves anything. Besides the members of last year's team 'Coach Hall has a world of new material out, and the new material is what is needed this year. Both hurdles, the shot, discus and pole vault, as well as two places on the relay team are open to newcomers this year, owing to graduation of three members of last year's team.

All candidates will get a trial in competition in about two weeks when the first inter-class meet is scheduled. This inter-class affair will be quite a little event. The freshmen are turning out well and promise to show quite a little speed, enough at any rate to make the competition close.

Captain Dana Keech will compete in the distances despite his recent injury. Keech will keep fast company this year, as Adkinson is out for his last season of track in high school. Adkinson will also probably walk away with the quarter, as he holds the county record in this event. Dameron and the Fahey brothers look good in the sprints. Santa Ana has a lot of stars in both high jump and broad jump this year. Paul Anderson and Claire Burkett, who had the fight of their lives in the county meet last year, are both attending high school here.

Ernest Plavan has already gone nine inches over his best mark of last year in the broad jump. Besides these veterans the team will have several additions from other schools besides the usual crop of first year men.

## DRINK HABIT

**RELIABLE HOME TREATMENT**  
The ORRINE treatment for the Drink Habit can be used with absolute confidence. It destroys all desire for whiskey, beer or other alcoholic stimulants. Thousands have successfully used it and have been restored to lives of sobriety and usefulness. Can be given secretly. Costs only \$1.00 per box. If you fail to get results from ORRINE after a trial, your money will be refunded. Ask for free booklet telling about ORRINE. Hatzfeld & Parsons, Fourth & Bush.

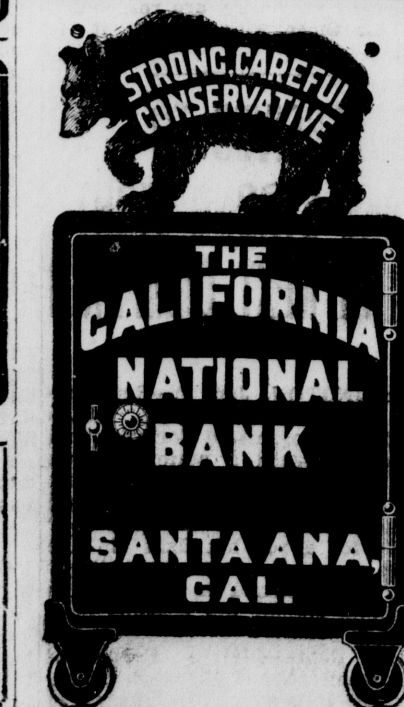

## F. E. Miles Cash Grocer

301 West Fourth St., cor. Broadway. Both Phones 68.

**No More Free Delivery**  
We are selling Groceries too cheap

24 lbs. Sugar .....\$1.00  
100 lbs. fine granulated sugar for .....\$4.25  
Potatoes are higher. We are selling Northern Burbanks at per cwt. ....\$1.35  
Miles Best Butter, lb. ....36c  
Storage Butter, lb. ....31c  
2 sacks fine Table Salt .....5c  
Pearl Oil, bulk, 5 gals. ....55c  
Fancy Bananas, per doz. ....15c

In order to accommodate our delivery customers who insist on trading with us and have no way of getting their flour, sacks of potatoes, etc. home, we will make one morning delivery and one afternoon delivery of all orders over \$2.00, exclusive of sugar, and charge 10 cents for the delivery. No orders under \$2.00 delivered.

**THE CALIFORNIA NATIONAL BANK**  
SANTA ANA, CAL.

## PUBLIC ADMINISTRATOR'S REPORT

To the Hon. Z. B. West, Presiding Judge of the Superior Court of Orange County:  
Theo. A. Winbigger, Public Administrator of said County, respectfully makes this return of all estates which have come into his hands for the term commencing July 1, 1913, to January 1, 1914, in pursuance of the provisions of Sec. 1736 of the Code of Civil Procedure.

Date of Issuance of Letters	NAME OF DECEDENTS	Apparent Value of Estate	Money which has come into hands of Administrator	Funeral Expenses Paid by Administrator	Free and Expenses Paid by Administrator	Amount Distributed to Heirs	Property in Hands of Administrator
Feb. 2, 1912	John Eaton	\$ 852.70					
Sept. 27, 1912	John Bennett	1010.00	\$1010.00	\$ 182.51	\$317.38	\$ 500.11	
Nov. 15, 1912	John Henneberg	1500.00	12.00			12.00	\$1500.00
Jan. 31, 1913	James A. Irvin	3700.00	581.27	307.98	4.50	278.79	3700.00
July 18, 1913	John Jackson	19102.95	3889.30	484.50	370.00	3029.80	15513.65
Aug. 4, 1913	Josephine B. Read	6825.23	1480.35	194.52	28.50	1257.33	5344.88
Aug. 29, 1913	S. Oma	520.00					520.00
Sept. 22, 1913	Frank J. Mead	3000.00	567.83	293.00		274.83	2422.17
Oct. 21, 1913	Edwin W. Wetherly	600.00					600.00
Oct. 21, 1913	Mitchell Brown	3127.04	1107.10		4.00	1102.60	2019.94
Nov. 14, 1913	Hank Smith	1185.71	1185.71	255.21	6.00	924.46	
Dec. 5, 1913	Wm. McKinney	5000.00					5000.00
Dec. 12, 1913	Edward H. Reed	3500.00					3500.00
Dec. 19, 1913	Carrie Van Brunt	6000.00					6000.00
Dec. 26, 1913	Carl Theo. Leifer	2200.00					2200.00
Dec. 26, 1913	Charles B. Johnson	417.85	217.65	206.00		11.65	200.00

State of California, County of Orange—ss.  
Theo. A. Winbigger, being first duly sworn, deposes and says: That he was the Public Administrator of said County at the time of the above report; that the foregoing is a full, true and correct copy of all estates of decedents which have come into his hands for the estates hereinbefore mentioned; that he is not, and was not at any time interested in the expenditures of any kind made on account of any estate he administers, nor is he associated in business or otherwise with anyone who is so interested.

Subscribed and sworn to before me this 30th day of December, 1913.  
(Seal) THEO. A. WINBIGGER.  
W. B. WILLIAMS, County Clerk.

## AUTO SPECIALTY CO.

416-18 N. SYCAMORE ST.

Dealers in All Kinds of Accessorie Parts

Santa Ana, Cal., January 5, 1914

Mr. Auto Owner,

Everywhere.

Dear Sir:—

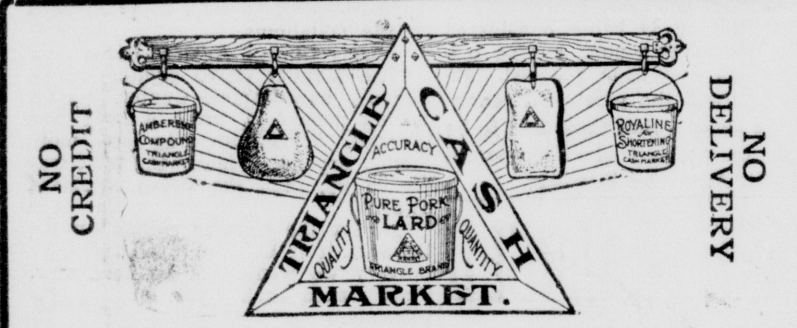

On January 1st our new Management took charge. We are now enabled to offer you the services of a Radiator Expert with fifteen years experience, and having increased our facilities we are able to do your work at a much better price than formerly, and we earnestly solicit any work you may have in our several lines.

We also call for and deliver work promptly.

Truly yours,

THE AUTO SPECIALTY CO.

## INSTALLATION HELD JOINTLY

Pythian Sisters of Orange and  
Anaheim Met at Orange  
Monday

(By Staff Correspondent.)  
ORANGE, Jan. 7.—The Pythian Sisters of Orange and Anaheim held joint installation Monday evening at the K. of P. hall in this city. About sixty were present, including the occupants of three seven-passenger autos from Anaheim and the same from Tustin.

A three course banquet was one of the pleasant features of the evening, the tables being prettily decorated in poinsettias and smilax.

The installing officers were Mrs. Emma Hedges, Maude McCann and Amanda Hill, of Anaheim.

Orange officers installed were: Past chief, Mrs. B. F. Houts; most excellent chief, Mrs. M. A. Kieffner; excellent senior, Mrs. C. A. Wood; excellent junior, Mrs. George Gilmore; manager, Mary Murdock; mistress of finance, Margaret Hol-ditch; mistress of records and correspondence, Mrs. Warner; protector, Mrs. Sutherland; outer guard, Mrs. W. H. Dover.

The officers installed for Anaheim were: Past chief, Mrs. Barnum; most excellent chief, Anna Cook; excellent senior, Emma Hedges; excellent junior, Maude Wells; manager, Amanda Hill; mistress of finance, Anna Adams; mistress of records and correspondence, Grace Houts; protector, Jennie Freed; outer guard, Myrtle Requarth.

Basketball fans are interested in the basketball game set for next Friday evening between the Orange Athletic Club and the St. Joseph's Athletic Club of Los Angeles.

The Orange team has been traveling at a fast pace, and will be in good shape for the clash with the St. Joseph five, which is expected to be a tough proposition.

The local team will line up as follows: Hart and Putnam, forwards; Pine, center; Slater and Pister, guards.

The funeral of John H. Adams was held yesterday at 2 p.m. in Smith's funeral chapel, Santa Ana.

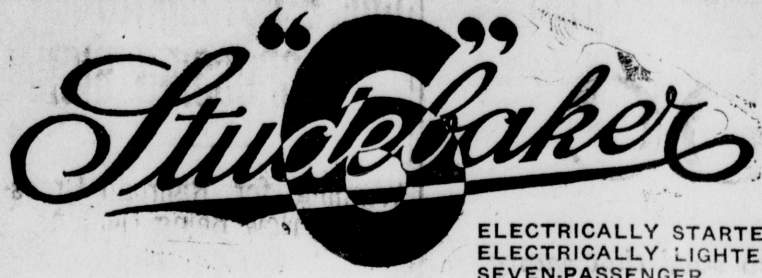

Rev. George Morrison of Pasadena was in charge of the service, while the singing was rendered by Miss Hester Billingsley, Mrs. Albert Lee, Mrs. Bathgate and Mrs. Hugh T. Thomson, of Vita Park.

Burial was made in the Santa Ana cemetery.

Among the relatives present from out of town were: Roy Adams from Imperial and Mr. and Mrs. Walter Adams from Redlands.

Mrs. William Batterman, Sr., is suffering from a broken hip which she received Monday in a fall. She is staying at the R. L. Frecht home on West Paimyra avenue.

Roy Reed, George Atwood, Horace

ELECTRICALLY STARTED  
ELECTRICALLY LIGHTED  
SEVEN-PASSENGER

No Other "Six" in the  
World Near this Price

The new Studebaker "SIX" stands absolutely alone and apart in the entire field of six-cylinder cars. At its price of \$1575—less by hundreds than the price of any other "Six"—it brings you vastly more than the operative advantages of the "Six."

It brings you these advantages, emphasized and enhanced because this "SIX" is not only a manufactured "SIX," but a Studebaker-manufactured "SIX."

Carries Seven  
in Comfort

It brings you passenger capacity for seven. It brings you the manifold advantages of electric lighting and starting through a two-unit system that has proved itself on thousands of Studebaker cars. You have never before been able to buy such a car at \$1575.

Today you cannot find such another car, at this price, in the entire world.

Six Thousand  
Manufacturing Operations

How completely the Studebaker "SIX" is the product of the great Studebaker plants you will realize when you know that its construction requires more than 6000 manufacturing operations.

We build its motor, from the raw iron and steel, down through the numerous processes of casting, machining, grinding and assembling to the finished product. We build its full-floating rear axle; stamp the light tough tremendously strong housing from the sheet steel; we forge, cut and machine the axle and transmission gears.

Throughout the rear axle and transmission, and in the front wheels we use 13 Timken roller bearings for quiet, easy running.

Economical  
of Fuel and Tires

In fuel consumption we believe the "SIX" will match, if not surpass, the economy of any car of equal horsepower. Its motor size is 3 1/2 x 5 inches.

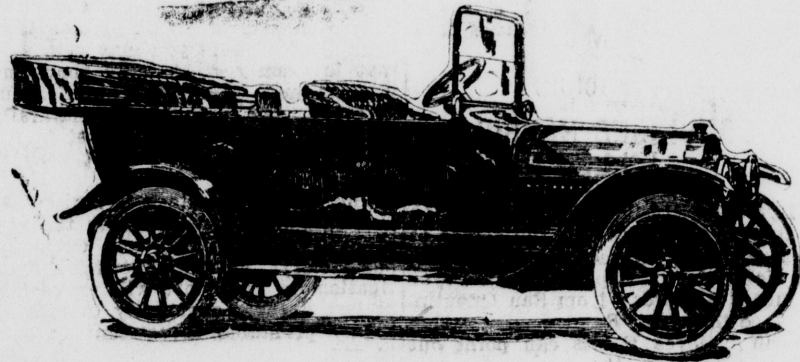

It is economical because, in spite of its 121-inch wheelbase it is light, and easy on its 34 x 4 inch tires; yet it is wonderfully strong.

It is generously roomy and richly upholstered, and carries its seven passengers in utmost comfort.

In design and line, the "SIX" acknowledges no greater beauty and grace.

Separate  
Electrical Units

The starting and lighting system is the Wagner two-unit, starting motor and generator separate. Lamps are Gray & Davis' highest quality, parabolic type. In short the "SIX" lacks nothing in style, beauty or comfort.

Studebaker "6"

\$1,700

Studebaker "4"

\$1,150

Buy it Because it's a  
"Studebaker"

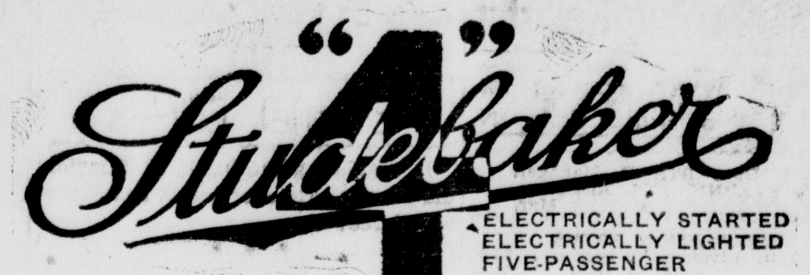

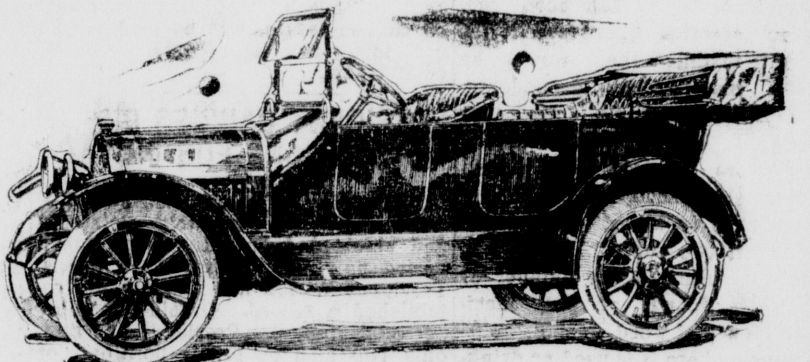

Not because of the price  
mark; but because of the trade  
mark.

Not because of the good  
looks; but because of the good  
name.

Not because of the outside,  
but because of the inside.

Wm. F. Lutz Co.

Corner  
4th and Spurgeon  
Santa Ana

ELECTRICALLY STARTED  
ELECTRICALLY LIGHTED  
FIVE-PASSENGER

This "FOUR" the Final Word  
Among Four-Cylinder Cars

This Studebaker "FOUR" has been developed from our experience in building 110,000 "FOURS." Its price, \$1050, represents the outside limit you should pay for a "Four;" because no "Four" can give you more, in actual value or performance, than this one does. So its price is right. Its capacity is right. Its power is right. It is the right type—the last word among four-cylinder cars.

A Powerful  
Long-Stroke Motor

Nothing that we can say here will give you an adequate idea of the power possibilities of this car—or of the things of which it is actually capable.

The motor presents the latest approved engineering practice—cylinders cast en bloc, valves enclosed, exhaust and intake manifolds integral.

The intake is very short and direct, placing the carburetor in a most advantageous position.

In fuel, both oil and gasoline, it will give long mileage. Thirteen Timken bearings reduce friction and wear to the minimum at every point in the transmission and rear axle and in front wheel hubs.

A Car Pleasing  
to the Eye

The "FOUR" presents the beautiful continuous streamline effects, with hood sloped upward to a deep cowl. Running boards are clean and free, with foot plates of aluminum.

The gasoline supply is under the cowl, giving a short, direct gravity feed to the carburetor. Its rear axle is of the full-floating type, and completely accessible.

The rear springs are full-elliptic, very long and easy, and with the lower member suspended beneath the axle.

Electric Lighting  
and Starting

It has left hand steering and center control. The electrical starting and lighting equipment is the Wagner two-unit system—two units for greater efficiency and great dependability.

Headlights are Gray & Davis' best quality parabolic lamps. The windshield is of new design, ventilating, clear vision and rain vision.

Most Modern and  
Complete Equipment

Rims are detachable demountable, with one extra rim and tire carriers at the rear. Studebaker-Jiffy curtains are always ready for quick lowering from within the car.

The dash equipment includes illuminated speedometer, oil feed and electric current indicator. Electric horn, robe rail, tools and tool box are also furnished with the four.

The car can now be seen at the Studebaker store, and a demonstration arranged.

Talley, Harry Kirkpatrick and Parley Sutton have gone from this city to enlist in the U. S. navy from the Los Angeles recruiting station.

Mr. and Mrs. Vern Parker, Miss Lois Park and Mr. Charles Dyer left this morning by automobile for Calexico, traveling by way of San Diego. Mr. and Mrs. Parker and Mr. Dyer have been spending the holidays here. Miss Park is accompanying them to Calexico for a visit.

P. I. Bird, S. B. Edwards, Wm. Deal and Ross Miller, motored to Imperial yesterday in Mr. Bird's new Ford. They will return the last of the week.

About thirty Rebekahs and Odd Fellows attended the installation of officers in Anaheim last evening and report a delightful time. W. W. Perry, district deputy president, with C. A. Palmer, grand marshal, both of Orange lodge, were installing officers for the Odd Fellows. Mrs. Sarah Flowers of Torosa lodge, Santa Ana, and Mrs. Ila Bishop, installed the Rebekahs.

Mrs. Fay Meehan has returned from a two weeks' visit with her parents in Santa Paula.

Mr. and Mrs. Alfred W. Leichtfuss and children are expected home this evening from a three months' visit with relatives in Milwaukee, and other points in the Middle West.

An eight and a half pound girl arrived at the home of Mr. and Mrs. A. A. Franke on North Orange street this morning.

Mr. and Mrs. W. V. Crane motored to Los Angeles today to visit Mrs. Crane's parents and family.

## 600 TONS OF \$20 HAY GONE

Orange News: With about 600 tons of hay destroyed by flames, Eyraud brothers, ranchers, suffered a loss of \$12,000 last evening when fire seized on a large stack of barley bales in front of the Al Eyraud residence, near the county park.

There is no clue to the manner in which the fire started. It was discovered between 9 and 10 o'clock last night. The flames began at one end of a huge canvas covering on the stack and soon enveloped the entire pile. Assistance was summoned as soon as possible, but the fire could not be stemmed, and raged all night. It was still smoldering in the ruins of the stack today.

The hay at present held a market value of \$20 a ton, bringing the total loss approximately to \$12,000. Of this amount about two-thirds was covered by insurance.

NOTICE TO THE PUBLIC

Wonderful Cough Remedy  
Dr. King's New Discovery is known everywhere as the remedy which will surely stop a cough or cold. D. P. Lawson of Edison, Tenn., writes: "Dr. King's New Discovery is the most wonderful cough, cold and throat and lung medicine I ever sold in my store. It can't be beat. It sells without any trouble at all. It needs no guarantee." This is true, because Dr. King's New Discovery will relieve the most obstinate of coughs and colds. Lung troubles quickly helped by its use. You should keep a bottle in the house at all times for all the members of the family. 50c and \$1.00. All druggists or by mail, H. E. Bucklen & Co., Philadelphia or St. Louis.—Advertisement.

## SIMON CHOSEN AS DIRECTOR

Annual Elections to Be Held by  
National Banks on  
January 13

The directors of the Farmers & Merchants National Bank of Santa Ana have elected Robert M. Simon of 1727 North Main street as a director to fill the vacancy caused by the death of Dr. J. R. Medlock.

Each of the National Banks of Santa Ana is to hold its annual meeting next Tuesday, Jan. 13. It is not likely that any of the banks will make any radical changes. The Santa Ana banks found 1913 a prosperous year. The growth of the banks shows the confidence that the people of this valley have in them.

### WHAT MAKES PEOPLE BLIND?

Did you ever stop to think of the one hundred thousand blind people in the United States, and what caused their misfortune? Did it ever occur to you that about thirty thousand of these unfortunates are unnecessarily blind? Do you know that about twelve thousand of these are children who are blind because of the unfaithfulness of either the father or the mother? Are you aware that twelve thousand people are groping their way about in darkness due to injuries which in most instances could have been avoided by the installation in factories of proper safety devices? Twenty-five hundred of them are deprived of a livelihood because of granular lids, which is preventable by the application of proper remedies. Two thousand are deprived of their sight because of Fourth of July accidents. Fifteen hundred will never again see the light of day because of various causes, such as the drinking or absorbing of wood alcohol and the neglect of proper treatment of certain eye affections.

If we look at these figures calmly, they are amazing. We can hardly believe that thirty thousand human beings are shut out from earning a livelihood, who might now be employed, self-supporting and productive of several million dollars' worth of labor, if preventive measures had been employed in their cases. We are a long-suffering people, but how much longer must we keep our eyes closed to the fact that if the doctor or midwife had dropped a 1 per cent solution of nitrate of silver into the eyes of the newborn babe, six thousand pairs of eyes would have been saved from the dreadful effects of gonorrheal ophthalmia. If the twelve thousand now sightless from injury had been employed in factories where safety devices were installed they would be producers instead of dependents. Granular lids or trachoma is amenable to treatment, yet twenty-five hundred persons were allowed to become blind from this cause. It must be a happy thought to all of us to know that the past two years has shown a marked diminution in the number of injuries from Fourth of July accidents. The use of wood alcohol, working in rooms where it is used or drinking "powerhouse whisky" or some of the various soft drinks containing wood alcohol, has caused a large number of persons to become totally blind.

There will always be a certain number of cases of blindness, which cannot be avoided, but it is appalling to think that the sight of thirty thousand of those now blind could have been preserved. How shall we limit blindness in the future? By insisting that our children's eyes shall have proper care. By compelling our factories to install safety devices. By medical inspection of schools. The child sitting next to your child may have diphtheria and convey it to your child's eyes. By demanding a safe and sane Fourth of July in your own town. By abolishing the roller towel and by establishing such other hygienic measures as will tend to keep us healthy and free from disease.

### THE NEW CURRENCY LAW

Few people realize what a sweeping change in our banking business is inaugurated by the Currency Bill that was signed by President Wilson and became a law on Dec. 23. To put it in a "nut shell," under this law, when a bank is unable to accommodate the demands for money in its vicinity it can secure the necessary money from the government Regional Bank and thus replenish its cash drawer until it can fully satisfy its customers. So in the future there can be no such thing as a "tight money market" of which we have heard so much in the past, and it will be almost impossible to create a panic such as we had in 1907 and in 1893. Furthermore, this bill takes the financial control of the country out of the hands of "Wall street," where it has been for over fifty years, and places it in the hands of Uncle Sam.

The bill authorizes National banks to make loans to farmers for long terms, and also to make short loans on unharvested crops, neither of which privileges did they enjoy previous to the enactment of this bill.

There is every reason to believe that all kinds of business will now go steadily forward in a healthy and vigorous manner without interruption. That the bill is entirely partisan is evidenced by the fact that forty-eight republicans in the house voted for it and seven Republican senators, among whom was Senator Weeks of Massa-

chusetts, regarded as the ablest financier in the United States senate.

### Editorial Edibles

In regulating the battle at Tampico did Admiral Fletcher act as policeman or referee?

Meanwhile though the boycotted eggs may become cheaper they will not improve with age.

Some men might make a fortune if they did not spend so much time wishing they were rich.

Ignorance of the law is no excuse, but it causes many a man to pay lawyer's fees.

When the suffragists get in power let us hope they won't make men wear clothes that button in the back.

The easiest way to stop a girl from crying is to tell her it will make her nose red.

Judging from the proposal of Belgium's King, to pay the debts of Princess Louise, some valuable new rubber forests must have been discovered in the Congo.

Representative Borland's proposed tax on bachelors, as an aid to widows, cuts out a definite substantial present for a vague and shadowy future.

Things move so fast these days that by the time the police arrest a new murder suspect the public has forgotten the victim.

Many Democrats find the motto, "To the victors belong the spoils," shorter and easier to remember than the Baltimore platform.

A bird that can sing and won't must be made to sing. But how? The same question appeals to a hen that will not lay.

### OHIO SPECIAL SESSION LEGISLATURE CALLED

COLUMBUS, O., Jan. 7.—Governor Cox called last night the eightieth general assembly of Ohio to meet in session January 19 to consider measures which will be proposed by the governor.

One of the governor's recommendations urges the report of a special commission, which recommended that miners should be paid for all coal taken from the mines, be enacted into law.

### PRESIDENT CARRIES OUT HIS PLANS FOR PRIVACY

PASS CHRISTIAN, Miss., Jan. 7.—As a president absolutely cloistered and shielded from all visitors for a period now approaching three weeks, President Wilson has undoubtedly established a record. Outside of his personal staff, the President has seen only two men on either political or social business since coming to Pass Christian—John Lind and Representative Harrison of Mississippi. He has been introduced to the mayor of the village and the postmistress, but no one else has met him.

Treated School Children  
The President this morning golfed. En route to the golf links his automobile was stopped before the Long Branch school, where the children were lined up on both sides of the road. Each received a box of Christmas candy.

### SOLONS' PAY CHECKS CUT BY NEW INCOME TAX LAW

WASHINGTON, Jan. 7.—Congressional pay checks will show an individual shortage of from \$35 to \$45 for each senator and representative this month, through the operation of the new income tax law. Unmarried senators and representatives will have to pay the higher rate, and married solons will escape with a deduction of \$35.

### PANAMA PACIFIC EXPOSITION NOTES

Sixteen foreign nations—Russia, England, Germany, France, Italy, Belgium, Denmark, Holland, Spain, Portugal, Norway, Sweden, Switzerland, Austria-Hungary and Australia—have tentatively accepted an invitation to send troops to an international encampment at the Panama-Pacific International Exposition in 1915. A military tournament, in which soldiers of these nations will vie with the boys of Uncle Sam, is being arranged by the war department.

One hundred and ninety-one conventions, which will be attended by delegates from all parts of the world, have voted to hold their sessions in San Francisco in 1915. The organizations are varied in character and include civic, religious, social service, educational, fraternal, business, labor, commercial, agricultural, live stock and scores of other interests.

More than 25,000 cubic yards of rich soil was towed from Collinsville, on the Sacramento river, to the site of the Panama-Pacific International Exposition at San Francisco to be used in the tropical garden which will form the setting for the great exhibit places. This loam, heaped up, would make a mountain one-half mile high and one hundred feet square at top and base.

Frederic Thompson, producer of the Toyland Grown up concession at the Panama-Pacific International Exposition, tried scores of engineers of world-wide fame in an effort to find one who could work out a design for a mechanical man, sixty feet high. Alas, Thompson, in a whimsical mood, told his idea to his twelve-year-old office boy and ordered the lad—in jest—to go home and make a working model. The boy, believing Thompson was in earnest, got busy and his model was so successful that the sixty-foot man will be made from the lad's original drawing.

Many of the great paintings of the old masters, which have never before been loaned to any exposition, will be seen in the Palace of Fine Arts at the Panama-Pacific International Exposition. These have been secured through the efforts and enthusiasm of John E. D. Trask, chief of the department of fine arts, who has just returned to the United States after a tour of Europe, where he enlisted the interest of all the art centers in the exposition's plan for a wonderful display of art. In all he secured promises of 350 of the priceless masterpieces.

A reproduction of the Yellowstone National Park will be one of the features of the concessions district at the Panama-Pacific International Exposition. A standard gauge railroad will be run through the concession, taking visitors seemingly through the entire park. In the center of the concession reproductions of the geysers and springs which have made the Yellowstone the wonder of the world will be set upon a great revolving table. The cost of the concession is estimated at \$550,000 and it will be one of the most complete of its kind ever built.

### Real Estate Transfers

(Furnished by the Orange County Title Company)  
January 6, 1914  
Deeds

### SEABRIGHT, N. J., STORM-SWEPT, ASKS U. S. AID

WASHINGTON, Jan. 7.—Seabright, N. J., swept by the storm of Saturday and Sunday, appealed yesterday to the White House for aid. A telegram to Secretary Tumulty from P. Hall Packard, of the Seabright Chamber of Commerce said the community was in dire need. Secretary Tumulty will notify the war department.

### SAN BERNARDINO PLANS \$350,000 POLY BUILDING

SAN BERNARDINO, Jan. 7.—The board of education Monday night discussed plans for a polytechnic high school district to include all territory represented by scholars attending the San Bernardino high school. This would make \$10,000,000 worth of property available for bonding purposes. It is proposed to spend at least \$350,000 for a polytechnic building.

### HOBSON WILL FOLLOW UNDERWOOD ON STUMP

GADSDEN, Ala., Jan. 7.—Because Oscar Underwood will not meet him in debate, Captain Hobson will follow him through North Alabama, making his first address here on Monday of next week. The two candidates for the United States senate have been making a strenuous campaign, and people are in a fever of excitement. Former Governor B. B. Comer will also be here Monday for an address in the interest of his candidacy for reelection as governor.

### ILLINOIS CENTRAL PAYS ENORMOUS INCOME TAX

SPRINGFIELD, Ill., Jan. 7.—Holding that the Illinois Central Railroad Company's property in Illinois is subject to the state tax rate of 70 cents on every \$100, State Auditor Brady has ordered it to pay \$2,171,723 in addition to \$1,355,178 paid in 1913 as 7 per cent of gross income.

### SHERIFF HAMMEL CONVINCED HARRIS KILLED PENDELL

LOS ANGELES, Jan. 7.—Convinced that Burr L. Harris was the slayer of C. E. Pendell, the money-lender, Sheriff Hammel and Deputy Sheriff Fryer returned yesterday from San Quentin, whence they took Ralph Fariss. The sheriff believes Harris can point out the place where the jewels are hidden, if brought here for that purpose.

### VENICE FISHING GOOD

VENICE, Jan. 7.—With the cessation of high seas off shore fishing has become a little better and the Japanese fishermen made good catches yesterday aboard of Playa Del Rey. The storm has driven many gulls in shore and flocks of gulls can be seen as far inland as Beverly.

### SANTA FE MAKES CUT ON HAY AND GRAIN RATES

LOS ANGELES, Jan. 7.—Assistant General Freight Agent Reinhart of the Santa Fe yesterday announced that a reduction of freight rates on hay and grain from Southern California and the San Joaquin Valley to the district around Goldfield, Nev., has been ordered to take effect about February 1. The reduction from this point to Goldfield will be from \$13 to \$11.75.

### MCCREARY MAY RETURN TO PROVE COMPETENCY

SAN FRANCISCO, Jan. 7.—Walter McCreary, a San Francisco millionaire adjudged incompetent by the California courts a year ago, has been allowed \$5000 from his estate by Superior Judge Graham to return to San Francisco to attempt to have his competency restored by the courts. McCreary several months ago made a sensational escape from his country estate, where he was under a guardian, and fled to London, where he has since lived.

### DAVISON PLEADS GUILTY—AGED 60—ASKS PROBATION

LOS ANGELES, Jan. 7.—Begging probation and in a state of collapse, M. M. Davison, charged with having defaulted with thousands of dollars entrusted to him by clients, yesterday entered a plea of guilty in Judge Gavin Craig's court. He will be sentenced Monday.

Davison is past 60 years of age and presented a pathetic sight as he begged the court for another chance, in a voice that could hardly be heard.

## CHASE AUTOMATIC CROSSING SIGNAL

Warning for Railroad Crossings Now Being Demonstrated Here

The Chase Automatic Crossing Signal, which is now being demonstrated at 104 West Fourth street, fills a want that every man who uses the highways will readily recognize. What are the Requirements of a Crossing Signal?

First of all, it must be a real warning of Danger. Second, it must give absolute protection to the railroad at all times and under all conditions.

The Chase Automatic Signal fulfills the first requirement in four distinct ways. It sounds an alarm bell—it shows a red light—it has a moving arm to attract attention, and it is visible for a considerable distance.

It is the only signal that fulfills the second requirement, because the moment anything goes wrong with the electrical apparatus, it is instantly dropped into the danger position through force of gravity alone.

The Chase is the only crossing signal that gives absolute protection. It has long since passed the experimental stage. It has been in actual use for the past two years on leading railroads in Southern California and is unqualifiedly endorsed by other railroad officials as the only perfected signal.

Do you know that railroads are extremely anxious to protect themselves against damage suits arising from crossing accidents?

Do you know that State Railway Commissioners all over the country are ordering railroads to install suitable signals at every such crossing and that the railroads are willing and anxious to comply with these orders?

Have you ever stopped to consider that the reason every crossing is not protected is because no absolutely protective signal has heretofore been offered the railroads?

Now if you had such a signal—it you could manufacture it at a price to pay you 100 per cent or more—if you could sell it at a price equal to or even lower than the present unsatisfactory signals—would you not consider you had a good thing?

That is just what we know we have in the Chase Crossing Signal. It is what the railroads want. It is what they are ready to buy and install on their lines.

With us it is not a question of finding buyers for the Chase Signal. The demand for them is here and all that is needed is the capital to manufacture them in sufficient quantities to supply this demand.

In order to secure capital to equip a factory to manufacture Chase Signals we are offering to sell a limited amount of stock in our company.

"If it is such a big thing why don't some rich man or crowd of men take it all themselves?" you may ask. And that is exactly what more than one wealthy man has offered to do. But in every case a man naturally demands a controlling interest in the company. Frankly, we don't wish to give up control.

This offering of stock is limited to enough shares to accomplish the purpose stated—obtaining and equipping our factory. Even a superficial investigation on your part will prove that at last a real opportunity to make a highly profitable investment is open to you.

We ask you to come in and talk it over with us. You will not be urged to buy, in fact, you will need no urging when you have seen our signal and read the many endorsements from leading railroad officials.

We invite you to call and see for yourself that we are not stating facts. Chase Signal Co., temporary demonstration room, 104 West Fourth St., next to Farmers & Merchants' Bank.—Advertisement.

For Frost Bites and Chapped Skin  
For frost bitten ears, fingers and toes; chapped hands and lips, chilblains, cold sores, red and rough skins, there is nothing to equal Eucalypti America. Salve. # Doings in Social and Club Circles

## WOMAN'S CLUB MET

Feature of the Meeting Was Account of Recent Club Federation Meet at San Diego

The Woman's Club met yesterday with Mrs. B. Uttley, East Pine street. All joined in singing the opening ode. New Year's thoughts were given in response to the roll-call. The club moved that Mrs. E. H. Mills send a letter of congratulations to Mrs. Caroline M. Severance, Los Angeles, the Mother of Women's Clubs, on the occasion of her ninety-third birthday on January 12. Mrs. Mills has been a close friend of Mrs. Severance for twenty-seven years, and expressed her pleasure in having this opportunity to send congratulations in the name of the Woman's Club.

Instructions were given that the per capita tax for the Berkeley Club House Loan Fund be paid by the club.

Mrs. Akin read from a San Diego newspaper an account of the recent Federation of Clubs held at that city. It stated that there were 500 enthusiastic women present at the meetings, and that the delegates and visitors were royally entertained.

"Legislation" was discussed, and the new laws that came into effect the first of the year were explained by the legislative committee.

Yesterday's meeting adjourned to meet in two weeks at the same place and time. Mrs. Mills will have charge of the program, and request that each one come prepared to give her ideas of what comprises an ideal home.

## At McKinley School

There will be a meeting of the McKinley Parent-Teacher's Association tomorrow afternoon at 3 o'clock in the kindergarten building on West Third street.

There will be a short musical program followed by a debate: "Resolved, that the myths and fairy tales are not detrimental to character-building." On the affirmative side are Mrs. Barnes, Mrs. Sackman and Miss Giffin; negative, Mrs. Bent, Miss Robinson and Mrs. Galbraith. There will be the regular round table along the same subject. Refreshments will be served. All are cordially invited.

## Young Men Were Industrious

The members of the Philathea and Baraca classes of the First Presbyterian church met last night at the church, and while the young ladies held a business meeting, the boys put down the new carpet, recently purchased for the Philathea and Baraca class rooms, which adjoin. The job was neatly done and the industrious workers received the commendation of the young ladies.

Later a social period was enjoyed with the young men as hosts, the boys serving refreshments and doing the honors of the hour.

## Tustin P. T. A. to Meet

The Tustin-Teacher Association of Tustin meets Friday afternoon at 3 o'clock at Tustin school house. Dr. Waffle will address the association on the subject of health.

## ANNOUNCEMENT

—Dr. J. W. Shaul will be in his Los Angeles office forenoon; Santa Ana office, 2 to 6 p. m., and by appointment.

That has the heating qualities of the very best coal, and to prove this to you, will sell it for a short time at \$10.00 per ton, delivered sacked. \$5.50 per 1/2 ton, delivered sacked. \$3.00 per 1/4 ton, delivered sacked. 65c per 100 lbs., delivered sacked. \$7.00 at the mine, sacked.

All orders will receive prompt attention if left with **PADGHAM & SON, Jewelers** 106 East Fourth St.

## SHOWER FOR BRIDE

Principals in Romantic Affair Were Central Figures in Happy Social Event

One of the jolliest of jolly times was enjoyed last night when a party of about fifty people invaded the new home recently established by Mr. and Mrs. Harry Jesse, the young bride of this matrimonial firm formerly having been Miss Gladys McDannald. Romantic interest clustered about the affair of last night as Mr. and Mrs. Jesse, who were married on December 21 at San Bernardino, had been able to keep their wedding a secret for a week afterward.

The bride, who is the daughter of Mr. and Mrs. D. W. McDannald, has been in the employ of the local Home Telephone office, having for the last year been a most popular and efficient long-distance operator. The affair of last night was a miscellaneous shower, and was planned by Mrs. Jesse's former associates in the telephone office. It was extremely successful, both in a social way and in adding generously to the household treasures of the bride. Gifts of silver, linen, cut-glass and a supply of substantial household accessories were lavished on the young bride and groom.

Merry card games and dominoes were played and these with jest and laughter and gay conversation rounded out a most happy evening. Every guest had taken something "good to eat" and when everything was assembled together on one long table and several smaller ones there was a bountiful spread to be enjoyed.

Principal among the guests were the young ladies from the Home Telephone office, Misses Elsie and Etzel Morrow, Hazel Reiss, Lena Young, Katie Anselmino and Retta Gynn; and the parents of the bride, Mr. and Mrs. D. W. McDannald, as well as other members of the family. Congratulations and good wishes were showered on the bride and groom throughout the evening, and it was a late hour before farewells were said and the jolly company departed from the Chestnut street home of Mr. and Mrs. Jesse.

## ENTHUSIASTIC MOTHERS

Joined Teachers in Excellent Meeting at Spurgeon School Yesterday Afternoon

The Spurgeon Parent-Teacher's Association held an interesting meeting yesterday afternoon in the kindergarten room of that school. There was a good attendance of mothers, all enthusiastic for the work of the new year. The meeting was called to order by the president, Mrs. G. B. Darnell, and after a short business session, a brief but excellent program was rendered.

The sixth grade contributed two musical numbers which were well received. A duet by Violet Cook and Donna Horton was listened to with pleasure, the youthful musicians responding to an encore with another pretty selection.

The feature of the afternoon's program was a paper on "The Child of Today" by Miss Margaret Egge. In her address Miss Egge gave a splendid review of the reform measures that are being adopted in the United States for the purpose of promoting child welfare, with respect to their moral, educational advantages and health development. To those interested in this great question this paper, so ably written, was truly an educational treat.

The association then spent a lively social hour during which refreshments of delicious home-made candies and popcorn were served by the committee.

The association made plans for a box social on January 30 for the purpose of replenishing their treasury. The next regular meeting will be on February 6.

## Travel Section Number One

This section of the Ebell Society met Monday afternoon at the home of Mrs. William Smart on North Main street. The members were soon engrossed in the study of the United States, and are expecting to derive much pleasure and profit from the reading of the history of their own country. The afternoon was concluded socially, dainty refreshments being served at the end of the social hour.

The next meeting of this study club will be with Mrs. Linn L. Shaw, 1025 West Fifth street.

## Economics Meeting

The fifth section of Ebell House Economics will meet with Mrs. C. W. Burns, 451 West Sixth street on Friday afternoon, January 9. Each member is requested to answer roll call with a recipe for left-overs.

## Starts for Peru

Mrs. Norman B. Roper, accompanied by her two little daughters, Elizabeth, starts today for Lima, Peru, where she will be met by her husband for a further trip reading into the mountains out from Lima where Mr. Roper is superintending a mining proposition belonging to an American company.

Mrs. Roper will sail from San Francisco.

# EVANGELISTIC WORK PROVING SUCCESSFUL

The two evangelistic meetings now being held in the city by the Church of the Nazarene are successful. Rev. W. E. Shepard, who is conducting the meetings at the Church of the Nazarene, corner of Fifth and Parton streets, is preaching heart-reaching and soul-winning sermons, with a good attendance each night. Meeting every night at 7:30.

Rev. Mrs. McReynolds, superintendent of the Mexican work of the church of the Nazarene of Southern California, is having very successful meetings at the Holiness Church on Spurgeon street. The meetings are being conducted in the Spanish language. A number have been converted, and every service is well attended. Meeting every night at 7:30. Open-air meeting tonight on the corner of Fourth and Sycamore streets, conducted both in English and Spanish languages at 6:30.

EDWARD M. HUTCHENS, Pastor.

## AMUSEMENTS

### Grand Opera House

"The Common Law," a dramatization of Robert W. Chambers' sensational novel, which manager A. H. Woods produced last season with such gratifying results, is booked as one of the special attractions at the Grand Opera House on Thursday, Jan. 8. A countless number of fiction readers who have been charmed and fascinated by Mr. Chambers' truly remarkable book, will doubtless look forward to witnessing the play with much pleasurable interest. The presentation will be made on a scale of grand magnificence and every assurance is offered that the cast is an absolutely reliable one.

### New City Auto Service

Commencing Friday, January 2, I will carry passengers anywhere in the city for 25 cents. Call Gordon Grocery, 195.

## Lumbago-Sciatica Sprains

"The directions says, its good for lumbago too, Sloan's cured my rheumatism; I've used it and I know. Do you use Sloan's?"

Here's Proof.

"I had my back hurt in the Boer War and two years ago I was hit by a street car. I tried all kinds of dope without success. I saw your Liniment in a drug store and got a bottle to try. The first application caused instant relief, and now except for a little stiffness, I am almost well."—Fletcher Norman, W. Hunter, Calif.

Instant Relief from Sciatica

"I was kept in bed with sciatica since the first of February, but I had almost instant relief when I tried your Liniment."—H. H. Hawkins, Frankfort, Ky.

Sprained Ankle

"As a user of your Liniment for the last 15 years, I can say it is one of the best on the market. Fifteen years ago I sprained my ankle and had to use crutches, and the doctors said I would always be lame. A friend advised me to try your Liniment and after using it night and morning for three months I could walk without a cane and run as good as any of the other fellows in my department. I have never been without a bottle since that time."—Mr. William L. Briscoe, Central Islip, N. Y.

## SLOAN'S LINIMENT

At all Dealers. Price 25c., 50c. and \$1.00

Sloan's Instructive Book on horses, cattle, poultry and hogs, sent free.

## METHODISTS OF WOMEN TO ROUT ILLINOIS ARE ACTIVE HIGH COST

Plan Denominational Religious Department in Illinois State University

CHAMPAIGN, Ill., Jan. 7.—A denominational religious department in connection with a state university is the unique scheme being perfected today by Methodist leaders of Illinois who are working in conjunction with the officials of the University of Illinois here. Within a few months the Wesley Foundation will consist of a \$200,000 endowment fund for this purpose, according to an announcement of Executive Secretary McGannon today. The Wesley Foundation is incorporated under the laws of Illinois. Courses in religious instruction by prominent Methodist divines and theologians will be offered to regular students of the university, and due credit given by the university for the work done. Bachelor's degrees will be given for courses combined from the Methodist department and other departments of the university. The Foundation Fund and the supervision of the courses is in the hands of a board of thirteen trustees. The officers of the board are Bishop W. F. McDowell, Chicago, chairman; District Superintendent F. B. Madden, Champaign, vice-chairman; Jessie B. Danley of Chicago, secretary, and Dr. C. B. Taylor of Champaign, treasurer. A local executive committee with residence at the university, consists of John W. Stipes, F. H. Boggs, F. B. Madden, James C. Baker and J. W. Van Cleave, all leading Methodist ministers in the state.

Myr. Thrifty—"We're trying to put some money by each week, but it's hard to save it now, days, when coal and gas cost so much and clothes are always wearing out. But I do the best I can."

Anty Drudge—"How do you try to save coal and gas and what makes your clothes wear out so fast? Do you use Fels-Naptha Soap in cool or lukewarm water to do all your work? It saves clothes and without costing a penny for heating water."

If you use Fels-Naptha Soap for washing, house-cleaning and everyday house-work, you save the expense of coal or gas, because Fels-Naptha works best in cool or lukewarm water and clothes do not have to be boiled. You save your clothes because they last twice as long if they are not boiled and hard-rubbed to pieces.

Follow the directions on the Red and Green Wrappers. Better buy Fels-Naptha by the box or carton.

Plan to Push Use of Parcel Post and Get Supplies from the Producers

WASHINGTON, Jan. 7.—High cost of living will have a big fall taken out of it if plans formulated today by Washington women who belong to the Housekeepers' Alliance can be carried through. Perfection of the plans laid today, say leaders of the Alliance, would mean complete elimination of the middleman and the middleman's profits. Although even the most sanguine of the leaders do not believe perfection will be reached, they expressed confidence today that a long stride toward material saving in the purchase of such household goods as milk, eggs, and truck farm products will result. The plan is to make full use of the parcel post as is possible. The chief problem discussed today was the matter of practicable containers for milk and eggs. The plan is to get into personal touch with farmers throughout Maryland and Virginia and to get household goods direct from the producers via the parcel post. Whether the Alliance will appoint agents to canvass the farmers or whether the women will canvass by mail was not settled today. This question will be taken up later. It was decided, however, to begin at once a campaign among Washington housewives to increase membership in the Alliance so that goods can be purchased in large enough quantities to mutually benefit the producer and the purchaser. Only by buying in large quantities it was declared, can the farmers be brought into line and sell at such prices as will mean real saving for the consumers.

## EXCURSIONISTS FROM MONTANA ARE COMING

Orange News: Committees appointed at a meeting at the Commercial Club Saturday night, for the purpose of arranging to bring a Montana excursion here, will meet at the club this evening to work on plans. The general committee named to invite and entertain the excursionists was as follows: H. Shipke, W. E. Anderson, J. W. Morrison, Dr. D. E. Gruell, S. B. Edwards and A. Dittmer. Subcommittees were named on automobiles, barbecue, railway transportation, reception, finance and printing. It has been learned that the excursionists, who are traveling on the Salt Lake, expect to go to points surrounding Los Angeles, and the committee has been assured of getting the excursion train here either on the 24th or 29th of January. There will be between 300 and 600 people. The committee hopes to be able to show them the country hereabouts, make their stay as pleasant as possible and serve a barbecue in their honor.

## LOS ANGELES PRODUCE MARKET

The market on most vegetables is advancing. There are a few exceptions to the rule, among them cauliflower and cabbage. The latter is of very poor quality, and dealers are not shipping more than they are forced to. Cauliflower is very heavy, and is moving at \$1 to \$1.25 a crate. Small vegetables like string beans are going up. They sold at 12 cents for extra fancy stock. Peas brought anywhere from 7 to 10 cents, according to quality. Outdoor cucumbers are off the market entirely, and those obtainable are holding at 75 cents to \$1.35 dozen, being hot-house stock. Tomatoes are moving at \$1.25.

The egg market took another decided drop, going by degrees to 35 cents, and staying there at the close of the market. Offerings were heavy, and a decided increase in production is reported, with a reduction in demand. Receipts were 351 cases. Butter arrivals were 47,405 pounds. The call for butter was very heavy, and there was so little first-class stock on hand that the market on creamery extras advanced to 31 cents. There is much second-grade butter on hand. Prices in the North were higher.

An Ideal Woman's Laxative  
Who wants to take salts, or castor oil, when there is nothing better than Dr. King's New Life Pills for all bowel troubles. They act gently and naturally on the stomach and liver, stimulate and regulate your bowels and tone up the entire system. Price, 25c. At all druggists. E. Bucklen & Co., Philadelphia or St. Louis.

## SERVICE SECURITY STABILITY

STOP to consider what a GOOD BANK ACCOUNT INSURES. The business man can employ the best help and insure SERVICE. Depression may come in his line, but his big CASH ON HAND means SECURITY. The fine line of credits may be drawn tight, but none will question his STABILITY. Give your business SERVICE, SECURITY and STABILITY with your bank deposits.

VETERANS ARE  
ENTERTAINED

Fullerton Daughters and G.A.R.  
Have Installed Their  
Officers

FULLERTON, Jan. 7.—Members of the Southern California Veterans' Association were entertained by the Daughters of Veterans at the Masonic Hall. The room was beautifully decorated with flags of all sizes and guns were stacked in a conspicuous place, thus guiding the thoughts of all present to a time when such instruments of death were in constant use.

After a banquet had been served the people gathered in the assembly hall and proceeded to install officers in both the G.A.R. and D. of V. organizations. Officers of Fullerton Post No. 131 installed were:

Post commander, R. C. Walker; senior vice-commander, John Hahn; junior vice-commander, J. A. Greenough; surgeon, D. W. Hasson; chaplain, Rosa Lovett; quartermaster, B. G. Halton; patriotic instructor, Abraham Markie; officer of the day, John Clever; officer of the guard, Ira Aldrich; adjutant, O. V. Knowlton. Daughters of Veterans installed were: President, Lucy Almes; senior vice-president, Waitie Dunham; junior vice-president, Lila Kimber; captain, Mary Clark; treasurer, Susie Fox; patriotic instructor, Eva Gage; secretary, Avis Knowlton; guide, Mabel Tuffree; guard, Pearl Treher; assistant guard, Ella Smith; organist, Grace Davis; trustees, Luella Hemphill, May Harrington and Kate Fuller; color bearers, Luella Hemphill, Hulda Carlson, May Harrington and Etta Jones.

A HAPPY CHILD IN  
JUST A FEW HOURS

If Cross, Feverish, Constipated,  
Give "California Syrup  
of Figs"

Mothers can rest easy after giving "California Syrup of Figs" because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it cannot cause injury. No difference what ails your little one—if full of colic, or a sore throat, diarrhoea, stomachache, bad breath, remember a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.—Advertisement.

## SPECIAL FOR SATURDAY, JAN. 10

A food sale of cakes, pies, bread, hot rolls, etc., will be held at Mr. Neely's Garage, Main St., by the Y. W. F. M. Society of M. E. Church. Lunch of hot coffee, sandwiches, doughnuts or pie will be served.

DR. C. D. BALL  
Hours 10 to 11 a. m.; 2 to 5 p. m.

Hours 8 to 12 a. m.; 1 to 2, 7 to 8 p. m.  
Moved Office to Otto Postoffice Block, Room 21. Both phones 63

## INTERMEDIATE H. S. NOTES

[By Carl F. Burns]

The pupils of the Intermediate High School voted for their class colors in the assembly hall this morning. There were three sets of colors suggested to choose from. The majority of votes went to blue and white, these receiving 210 votes. Green and white came second with 90 votes in their favor, while pink and green came last with 34 votes.

Most of the pupils are glad to come back to school to resume their studies and to see their classmates and teachers.

The base ball boys met in room 2 last night after school to plan for the games they will play this season.

The I. H. S. orchestra practise was held last night after school for the first time since vacation. The orchestra is showing rapid progress in its work under Miss Bemis, the music and drawing teacher.

## AT THE COURT HOUSE

FIRST PAPERS FOR  
CITIZENSHIP TAKEN

First papers of naturalization have been taken out by Frederick A. A. Siegel, 46 a farmer, of Santa Ana, native of Germany, in this country since 1912; Martin Schiffer, aged 21, a farmer, of Bolsa, native of Germany, here since 1913; August Hein, aged 42, a farmer, of Brooker station, native of Germany, here since 1906; Wilhelm Hein, 31, farmer, of Hansen station, native of Russia, here since 1908; Meicke Hein, 32, laborer, of Hansen station, native of Russia, here since 1912.

Suit on a Note  
Suit to foreclose a mortgage on forty acres in section 12, township 5 south, range 11 west, has been brought by C. S. Campbell against P. J. Shannon and others. Judgment for \$4075 is asked. The note was for \$5000, given Feb. 6, 1911.

For Administration  
Robert C. Northcross has petitioned for letters of administration on the estate of his father, Marshall Northcross, West Orange pioneer. H. C. Head is attorney for the petitioner. The estate is valued at \$5500.

Marriage Licenses  
William C. Paulus, 32, and Lena L. Lemke, 22, both of Olive; Roy E. Warren, 21, and Alice A. Beswick, 18, both of Santa Ana.

Default Entered  
The default of the defendants has been entered in the suit of H. G. Briston against T. L. Clay and J. W. Corbin. Suit was on a note of \$345 given in 1911 to Marcia A. Swan.

Appraising  
J. A. Jackson, H. T. Rutherford and J. N. Anderson have reported the appraisement of the estate of H. C. Pardon at \$9010.

L. A. West, Walter Eden and J. N. Anderson have been appointed to appraise the estate of Herman Koepsel.

Flores On Trial  
This morning the trial of Jose Flores, charged with shooting Guadalupe Rodriguez at Los Alamitos, began before Judge West and a jury. Deputy District Attorney Koepsel is prosecuting.

Attachment Case  
Another attachment has been levied against property standing in the name of H. A. Dyer, who disappeared while out on \$5,000 bond on a felony charge. The plaintiff in the case is W. E. Duckworth of Anaheim, and the demand is for \$253.40.

NEW SURGICAL OPERATION:  
AORTA OPENED; LIFE SAVED

PHILADELPHIA, Jan. 7.—An operation new to surgical science has been performed on a woman by the surgeons of Jefferson Hospital, and probably will result in the recovery of the patient. The operation involved the opening of the aorta and the removal from it of a clot which menaced the woman's life.

The patient was Mrs. Sara Azato. She had been suffering from heart-breaking caused by a leak of her heart breaking off and lodging in the aorta, practically shutting off the circulation of the blood. Yesterday it was found that circulation had been restored and it is thought she soon will recover.
